Engage & Run Together ! (draft 5)

a reproducible approach to discipleship

Though separately identified below, the ideas below are best understood as aspects of a self-reproducing integrated life of faith under the direction of the Holy Spirit which leads to group cohesion, unity of purpose, and overflows into concern for and outreach to the lost.

"Reproducible" means, ideally, that during the normal dwell time where you are each active participant sees, lives, and learns the following ideas and reproducible[1] activities well enough to begin reproducing them at his/her next duty station.

- Inductive Bible Study[2] individually ("quiet time") & in a small group
- Conversational Prayer[3]
- Scripture memory[4] and meditation
- Excellence in all things[5]: personal, relational, military …
- Grow together in small fellowships[6], actively serving & seeking to follow Christ more fully
- Pray and Plan[7]
- Lead by example[8]; include & develop emerging leaders[9]; encourage all to engage
